Of a Century of Usefulness Has Been Rounded Out by Division 3.

Members and Friends Prepare For Celebration Tuesday Evening.

Old Guard and Something of Very Interesting Historical Events.

MUSIC, DANCING AND ADDRESSES

Members of Division 3, A. O. H., are preparing to celebrate the twenty-fifth anniversary of the founding of their division with a three-fold entertainment at Falls' City Hall next Tuesday evening. The real anniversary will occur on Wednesday, October 13, but the hall could not be secured for that night. President Patrick T. Sullivan will preside; State President George J. Butler and County President P. J. Welsh will be guests of honor. The literary and musical feature of the silver jubilee will not be too lengthy, yet it will deal to a great extent with matters pertaining to the history of Division 3. Of course the few addresses will be interspersed with Irish melodies. After the literary programme there will be a buffet luncheon and then for two hours a dance for the young people.

The hall is not large enough to accommodate all the Hibernians in the city, so the committee in charge has sent out invitations to a favored few, and then it is believed the capacity of the hall will be taxed. President Patrick T. Sullivan will deliver the principal address. He is familiar with the history of the division and thoroughly conversant with the advantages it has brought to its members, particularly the younger men.

Division 3, Ancient Order of Hibernians, was organized in Ireland's Hall, corner Nineteenth and Portland avenue, on October 13, 1884. The late John M. Hennessy, at that time County President, conducted the organization. The late James Rogers and John J. Barrett were among the visiting members on that evening. When the charter roll was closed the following names had been inscribed: Michael Sheehan, President; George J. Butler, Vice President; M. J. Ford, Recording Secretary; John Sheehan, Financial Secretary; Edward Malone, Treasurer; Michael J. Larner, Sentinel; James Gill, Sergeant-at-Arms; Standing Committee—Michael J. Deely, P. T. Sullivan, Thomas Kennedy, Thomas Kelly, Michael Moore and John Thornton. Of the Standing Committee all save Messrs. Sullivan and Kennedy are dead.

During the twenty-five years of the existence of Division 3 only one man who served as President is dead, poor Joe Taylor, whose demise occasioned great sorrow throughout Hibernian circles in the State. Those who have served as President in order of succession are Michael Sheehan, Patrick Holley, James Coleman, P. T. Mullen, N. J. Sheridan, L. J. Mackey, Joseph Taylor, Thomas A. Quinn, P. J. Welch and Patrick T. Sullivan, the incumbent.

Besides the following members have held State, county and national offices: George J. Butler, State Treasurer, National Director and two terms as State President; Patrick Holley, State Treasurer and two terms as State President; James Coleman, for eight terms unanimously chosen State Secretary; Michael Sheehan, State Treasurer; P. T. Sullivan, Thomas A. Quinn and Patrick J. Welsh County Presidents.

Among men who are now or who were at one time members of Division 3 who have held positions of trust in the city government are Daniel F. Murphy, for many years City Assessor; Edward T. Tierney, City Auditor and a member of the Board of Public Safety; Edward J. Mackay, Secretary to Congressman Swagar Sherley; P. T. Sullivan, Magistrate; N. J. Sheridan, Deputy Assessor; P. J. Beaman, Deputy Jailer; L. J. Mackay, clerk at the Postoffice and attorney-at-law.

All others are prominent in professional and commercial circles.

Michael Sheehan, George J. Butler and Michael Murphy are successful grocers; D. J. Coleman has reaped success as a hotel man and in the dry goods business; Patrick T. Mullen is also forging to the front in the dry goods line, and D. J. Dougherty has made a success as a funeral director. Among the members who have been admitted to the bar and who are now practicing law are P. T. Sullivan, L. J. Mackay, Edward J. Mackay, and P. T. Welch.

These have been membes for more than twenty-four years: Michael Sheehan, George J. Butler, M. J. Ford, P. T. Sullivan, Thomas Kennedy, James Coleman, P. J. Neilligan, N. J. Sheridan, Patrick Connolly, M. J. Carroll, Timothy McCarthy, Patrick Higgins, D. J. Coleman, P. T. Mullen and Patrick Stephens.

The present membership is 130. In the twenty-five years of the division's life it has spent more than \$20,000 for all purposes, most of it in charity, and there still remains a cash balance of more than \$1,000 in the treasury.

COLUMBUS

Will Be Honored Wherever the American Flag Is Floating.

Great Movement to Make His Landing Anniversary a Holiday.

Catholic Gentlemen of the Union Are Inculcating Patriotic Lessons.

RESPECT LATE BISHOP'S MEMORY

Wherever the Stars and Stripes fly next Tuesday will be observed as Landing day, the day upon which Christopher Columbus set foot upon American soil, October 12, 1492. Doubtless it will also be celebrated more or less in Mexico, Central and South America and in Canada, Italy and Spain, too, have a right to take part in the festive celebration, but in the United States alone the day will be one of greater moment.

If the Knights of Columbus never did anything else they have inculcated lessons of patriotism. Through their efforts New York, New Jersey, Pennsylvania, Connecticut, Colorado, Illinois, Missouri, Montana, California and Michigan have made October 12 an annual legal holiday. Other States are preparing similar bills and ere many years Congress will be called upon to make Landing day a legal holiday.

The story of the Genoese sailor, student, scientist and scholar, Christopher Columbus, who believed the world was round and whose ideas were scorned in his own country, is not a new one. Neither is it new, that story of how his theories were advanced by the Spanish Dominicans and how they prevailed upon Ferdinand and Isabella to espouse the cause of Columbus. In those days the feast of Columbus was one hundred times more marvelous than the trip of Cook or Peary to the North Pole in our days.

Columbus' first landing was on one of the Bahamas. He called it San Salvador—the Holy Saviour—and the island still bears that name. He made three subsequent trips to the western waters of the Atlantic, but died without knowing a great western hemisphere lay behind the beautiful and fruitful islands. Yet he had paved the way for Vespucci, the Cabots, Sir Walter Raleigh, Henry Hudson and others, and that is why the Catholic gentlemen of the United States honor him and have chosen him as their patron. They desire to be first in all things where God and country are concerned.

The Knights are made up of Americans, whether they spring from Italian, Spanish, French, German or Irish parentage. It is their purpose to make October 12 a national holiday, and they argue that it would be particularly appropriate to have celebrations of the day in all the schools, public and parochial. While Americans of many races are interested in the movement, one of the most considerable forces is that of the joint action of the Italian societies. The fact that Columbus was of Italian birth furnishes the motive. He is the historical link that binds the Italian to America. Playing formal respect to the discoverer of these shores is a movement in which all Americans should be interested.

During the aforementioned twelve months 845 girls were thus accommodated, and of these 805 were Irish, twenty-one English, nine Scotch, six Welsh, three Americans and one Portuguese. Of these 220 girls secured employment through the mission.

While the total immigration to the United States was 580,616, the arrivals from Ireland showed a marked decrease over previous years. Membership in the mission costs only twenty-five cents, and in acknowledgement of this assistance mass is offered three times each week for the subscribers and their friends.

Those who wish to encourage a worthy cause should correspond with the Rev. Father M. J. Henry, director of the mission.

GERMAN WEEK

Held in Chicago Under Very Happy and Fortunate Conditions.

This has been German week in Chicago, and it has been strenuous one for all concerned from last Sunday afternoon, when the big street parade was held, until its close with a night pageant this evening. The week not only commemorates the thirtieth of German-Americans in Chicago, but it is the two hundred and twenty-sixth anniversary of the landing of the first German colonists in America. That colony was the nucleus around which has grown 12,000,000 of sturdy, thrifty sons of the Fatherland.

Of the 12,000,000 people accredited to the German race in the United States at least 5,000,000 have settled in the Middle West. The Germans are great agriculturists, but at the same time they are very thrifty as business men. This is best shown by their career in Chicago during the past thirty-nine years. In 1870 the German percentage of population in Chicago was 19.33 and the percentage in business was 38.5; in 1909 the German percentage of population was 13.92, and the percentage in business was 32.57.

German composers have helped to mold American music. German statesmen have helped to mold American thought and policy. The racial traits of German character have had a noteworthy effect on American life.

World Is Improving and Mankind Is Growing Better Each Day.

SUGGESTS ABLE CONSIDERATION

majority. But when you have a body of independent thinking and independent acting men in any community it means that there is a group that can not be swayed or influenced by ordinary political methods. Their attitude tends to force an improvement in political conditions, the election of good men to office and better government in the end.

"Our fathers in framing the Constitution looked ahead and foresaw that disputes would arise over what are the limits of liberty and the scope of government. They wisely set up a Supreme Court of the United States as the tribunal to decide all these questions of individual rights and State's rights as against Government authority so that we may preserve the balance that will produce the greatest good and the greatest happiness.

"I have wondered sometimes whether the fathers looked even further into the future, whether in providing for a court to settle differences between the States of our own country they foresaw a time when an international court would adjust all disputes between the nations of the world, so that there might be universal peace. As I survey the past and look into the future, I am firmly convinced that the world is improving; that mankind is growing better; that we, as people and nations, are aiming at higher things. Despite all the shortcomings, the failures to reach high standards, the criticisms of the day, I believe we are progressing toward a better life."

DIED ON SHIP.

Former Kentucky Girl Failed to Reach Native Land.

Marquise des Monstres-Merriaville, formerly Miss Mary Gwendolyne Caldwell, of Louisville, died aboard the steamer Crown Princess Cecilia while en route from Germany to New York on Tuesday morning. While the Marquise was highly regarded in Louisville on account of her benefactions to charity, she had few if any intimate friends here. She was forty-seven years old and her ailment was Bright's disease.

The Marquise was the eldest daughter of the late William Shakespeare Caldwell and Mary Breckinridge Caldwell. The father came of Welsh stock. He amassed quite a fortune in the South and removed to Louisville at the close of the civil war. Here he invested heavily in real estate, and while his holdings later turned out valuable, they did not realize his expectations during his life. He donated the ground and erected the splendid Sts. Mary and Elizabeth's Hospital in this city. It will remain a monument to the Caldwell family.

Before her marriage the Marquise and her sister, the Baroness Von Sedwitz, gave largely to Catholic charities. Several years ago the Marquise contemplated erecting a memorial chapel to her parents in St. Louis cemetery. She carried on negotiations with Col. M. Muldoon. Plans were drawn for a Grecian temple, something after the style of the Madeline of Paris, though on a smaller scale. The estimated cost was \$60,000. With Col. Muldoon the Marquise, then Miss Caldwell, visited Europe to select marbles, etc. For some unknown reason the negotiations were interrupted for a time, but not long ago the Marquise wrote to Inquire if Col. Muldoon retained the plans. He informed her that he had. It may be that the building of the chapel will be provided for in the will of the Marquise. Her father and mother repose in St. Louis cemetery and over their graves the daughter had erected a magnificient sarcophagus, one of the finest monuments in the cemetery.

Archbishop John Lancaster Spalding was made guardian of the two Caldwell girls, Mary and Elizabeth, at their father's death.

IRISH-AMERICANS AGAIN.

Irish-American amateur athletes carried away the honors at the close of the two-days' indoor track and field meet at Madison Square Garden, New York City, on Tuesday night. The Irish-American Athletic Club of New York scored sixty-nine points, while their nearest rivals, the New York Athletic Club, was second with sixty-two points. Melvin W. Shepard, of the Irish-Americans, not only won the 600-yard run but made a new world's record. J. J. Eller, of the same club, made a new record in the 150-yard dash.

"I do not believe in the extreme of political independence, for that would mean the disruption of organized effort. A strong, healthy party of opposition is very helpful in restraining the excesses of a dominant

Not many weeks ago Tom Maher resigned as Chief of detectives to seek rest and recuperation. Health seems to have returned to him unexpectedly.

Tuesday morning George White, a big black, thick-lipped negro and Republican politician, who conducts the Log Cabin saloon on Sixth and Green streets, shot Hottie Howell, his piano player. That happened at 11 o'clock.

In the afternoon at 3 o'clock White was riding over the city with Tom Maher in Maher's private vehicle. It was a sure enough study in black and white. White is the same negro who has had many conferences with Col. Haager recently. Col. Haager denies that these conferences were of a political nature, but Maher is Haager's man of all work, and those who understand the situation can see the bond of union between Maher, White, Haager & Co.

GREAT GOOD

Is Being Accomplished by Our Lady of Rosary Mission.

The Mission of Our Lady of the Rosary, No. 7 State street, New York City, which has for its object the protection of Irish immigrant girls, is making another appeal for aid. Its purpose is a worthy one and for twenty-six years it has enjoyed the recognition and support of the highest ecclesiastical authorities in the land.

Within the twelve months ending June 30 last there landed in the port of New York 18,997 Irish immigrants. Of these 9,745 were women and most of them young and unprotected. All of them, men and women, were met on arrival by one or more representatives of the mission.

Advice was given, in some cases money was advanced, telegrams were sent out announcing departure, and those girls not discharged at Ellis Island were accompanied to the home conducted by the mission and comfortably accommodated free of charge until entrusted to relatives or placed in employment.

The Knights are made up of Americans, whether they spring from Italian, Spanish, French, German or Irish parentage. It is their purpose to make October 12 a national holiday, and they argue that it would be particularly appropriate to have celebrations of the day in all the schools, public and parochial.

STALWART NUN.

The Voelkblatt, of Cologne, Germany, vouches for the accuracy of a remarkable story of a nun's encounter with a bull. The heroine is one of three Sisters of the Order of St. Vincent, who have charge of a large dairy near Rottenmünster, Würtemberg. The bull attacked a sixty-five-year-old berdman, who was pinned against a wall. Two other men were too frightened to interfere, but the nun ran from the dairy, hung herself on the animal and seized its horns. She actually succeeded in throwing the bull off its feet, and before it could rise again the nun and the three laborers were in safe shelter.

John J. Croft and bride have returned from their wedding tour and are keeping house at 2015 West Jefferson street. On Thursday night a number of Mr. Croft's boyhood friends called and were handsomely entertained. Before leaving they made their appreciation of his hospitality manifest in a material way.

A fine baby boy arrived at the home of Mr. and Mrs. Henry Grall, Jr., 508 South Twenty-first street, on Thursday of last week. The happy parents are no prouder than Col. and Mrs. Andrew Kast, and every time anyone calls Andy grandpa he sets them up to the oysters. The youngster will be christened Patrick Andrew Grall.

Misses Katherine R. Kearns and William Ummethun surprised their friends by being quietly married at the rectory of St. Charles Borromeo's church Monday evening. The Rev. Father Charles P. Raffo performed the ceremony. Later they went to Chicago on a bridal tour. The bride is a charming daughter of Mrs. Mary Kearns, of 424 South Twenty-second street.

Thomas E. Burkholder, now of Chicago but formerly an active member of McKinley Council, is in Louisville for a short visit to his parents at 2117 Rowan street. While he is here on business for his firm, he is renewing acquaintance with many old friends. Since his last visit here in May, 1908, Mr. Burkholder has journeyed extensively through every State in the great Northwest.

Miss Nelly Camilli Kerr and William Joseph Baker will be united in the holy bonds of matrimony at St. Louis Bertrand's church at 4 o'clock on the afternoon of Wednesday, October 20. The bride-elect is the charming daughter of Mr. and Mrs. Harry Kerr, and the fortunate young man is well thought of by all who know him. After the ceremony Mr. and Mrs. Baker will be tendered a reception at the home of the bride's parents, 725 West St., Catherine street, from 8 until 1 o'clock.

The engagement of Miss Elizabeth J. Schene and Leonard P. Soete has been announced. The marriage will be solemnized at St. Martin's church at 6 o'clock Tuesday morning, October 19. Rev. Father Louis W. O'Brien will perform the ceremony. After the mass a wedding breakfast will be tendered the bridal party at the home of the bride's mother, Mrs. W. Schene, 730 East Chestnut street. Later in the day Mr. and Mrs. Soete will leave on a wedding trip through the East and North. Both young people have hosts of friends in Catholic circles and all join in wishing them a happy married life.

PEACE IS COSTLY.

Lord Grey, an English statesman, has called attention to the fact that half the revenues that European nations now raise are being devoted to making preparations to kill each other. This shows that the peace footing of the present day is as costly as was the war footing of fifty years ago. It means that eventually disputes between nations must be settled by international arbitration. War lords are no more compatible with civilization than are pirates and bandits.

So the School Trustees have voted to commit political har-kar! That is they would like to commit suicide but have not enough nerve. In their disgust with their own lack of courage they petition the yet unborn Legislature to smother them. Surely this is a suicide pact, but one that is undeniably commendable.

APPRECIATES THE IRISH.

Daring his swing through the country President Taft officiated at the christening of the vast estate of Thomas F. Walsh near Denver last week. It was named Clonmel, after the town which was the birthplace of Mr. Walsh. In performing the little ceremony President Taft said: "The hardy immigrants from Tipperary and from every part of the Emerald Isle have come to the front in America as they deserve. There is no element, no strain in our civilization that has manifested itself to be stronger, more enterprising, more shrewd in business, more stern in enforcing high moral principles than the Irishmen who come to this country to make it their own. I have the greatest pleasure in calling this place after that beautiful spot in Tipperary. I consecrate this the est-

ate of 'Clonmel.'

TEACHING ALL NATIONS.

The brilliant water pageants in New York harbor during the Madison-Fulton celebration were originally suggested by the late Admiral Joseph B. Coughlan, of Manila and "Hooh! Der Kaiser" fame. It is a pity that this brilliant Irish-American was not spared to participate in America's great jubilee.

NEWPORT BELLE TO WED.

Mrs. Mary B. Daly, of Minneapolis, National Treasurer of the Ladies' Auxiliary, organized a branch of the auxiliary at Winnipeg. It starts out with a charter membership of fifty.

At the recent memorial services at St. Peter's cemetery, Rome, N. Y., the Hibernians, Ladies' Auxiliary and Knights of Columbus were in all and wore their official badges.

Milwaukee Hibernians are receiving thanks from the Irish population of that city for securing Josephine Skeehan, the famous tenor, to represent Irish musical talent at the all-nations musical programme at the dedication of the new auditorium.

An exchange says there is a movement among the Ancient Order of Hibernians of the United States to raise \$100,000 for a chapel on the grounds of the Catholic University. The order is said to be twice as strong as when it presented \$50,000 to found a "Gothic" chair. There are things, however, much worse needed than a university chapel. The A. O. H. may well turn their attention to thousands of their fellow-countrymen living in neglected localities without church or priest.

To bring about a reduction in the tolls of the Cumberland Telephone Company, which are now exorbitant and unjust, failing in this, to use every influence to prevent said company from operating in the city of Louisville.

To bring about a reduction in the price of public utilities, viz., lights, water and street car transportation.

To encourage and promote all legitimate investments of capital, either or otherwise, to the end that the corporation and the citizens shall be equally protected under law.

It is desired that the inhabitants of today are to be the fathers and mothers of the future, we are in favor of strict enforcement of each and all the laws for the protection of the law and the safety of the public. We are in favor of the payment of income taxes, and the employment under the laws of the State; and it is desired that each and every citizen of each and every state that makes of the State have or shall have their welfare, protection and safety.

We shall insist upon the passage of a law that will require the sale of all public franchises to the highest bidder for a term of not exceeding two years, and that the franchise be protected and that both the corporation and the citizens shall be equally protected under law.

The President also urged the younger members of the division to take a more active interest in the work of the order, and showed that most of the work for the recent picnic had been done by a few of the older members.

WELL KNOWN PRIEST DEAD.

It was with great regret that many Louisville Catholics heard of the death of Father Ubaldus Webersinke, O. F. M. He died at St. Elizabeth's Hospital, Lafayette, Ind., on Monday morning. From 1879 until 1888 Father Ubaldus was pastor of St. Boniface's church in this city and made many warm friends here. A requiem mass was celebrated in St. Boniface's church, Lafayette, Ind., on Wednesday while the remains reposed in state. Later the body was removed to Cincinnati and interred in St. Mary's cemetery.

JOYOUS DAY

People of St. Mary's Parish Preparing for Big Time.

All the Catholics of Louisville join with their brethren of St. Mary's in wishing them many happy returns of their sixtieth anniversary, which event will be celebrated tomorrow. It will be a grand reunion, not only of a family but of scores of families. Parents, grandparents, great grandparents and great grandchildren will kneel side by side in the church under the patronage of Mary Immaculate to offer their prayers of thanksgiving and to beseech future blessings.

The solemn mass of thanksgiving will be celebrated at 10 o'clock tomorrow morning. The officers of the mass will be the Rev. Father B. M. Westermann, pastor of St. Mary's; celebrant, the Rev. Father Bonaventure Cleck, O. M. C., of St. Anthony's, deacon; Rev. Father John Schmidt, assistant pastor at St. Mary's, subdeacon.

In the evening at 7:30 o'clock the congregation will assemble at St. Mary's Hall, adjoining the church, to attend a musical given by the music lovers of the parish. Incidental to the musical is the Very Rev. Dr. George W. Schuhmann, who will deliver an address appropriate to the occasion. Mr. and Mrs. Philip A. Stark have arranged the musical numbers. Miss Mary Hunold will preside at the piano and Miss Minnie Hunold will render selections on the violin. The Concordia Singing Society will render several selections. A feature of the evening will be the rendition of the sextette from "Lucia" with the following voices: Mrs. Joseph Hunbold, Miss Ida Schuckman, Messrs. P. A. Stark, Joseph Hunbold, Georgia Middendorf and Dr. Edward Hunbold.

SOCIAL SESSION

And Educational Treat is Planned by Mackin Council.

Socially Mackin Connell is preparing for an active fall campaign. Thus far the dances this season have been noted both for the tone of their patrons and the number of couples. It has been a case of quality and quantity being on a par. The remainder of the series of fall dances will be held next Thursday night, October 14, and November 28, November 11 and November 24, Thanksgiving eve.

Besides the work that Mackin's Social Club has in hand the council itself proposes to have an old-fashioned reunion and social session on the night of October 25. George J. Lantz, Austin Walsh, John Hancock, William M. Higgins and Vincent B. Smith were appointed a committee to wait upon Judge O'Doherty and to ask him to address the club on that evening. His will be the only address on the occasion. Judge O'Doherty has a wonderful fund of interesting information on social and economic subjects gleaned from his recent visit to Ireland and England and his lecture will be an educational treat. After the lecture refreshments will be served.

JOHNSON-TALBOTT.

Although the wedding of Miss Rebecca Johnson and John D. Talbott of Bardstown, Ky., to be a church affair, it will attract much attention in Kentucky society circles. The marriage will be solemnized in St. Joseph's church at Bardstown next Tuesday at noon, the Very Rev. Father C. J. O'Connell officiating. Miss Nancy Johnson, sister of the bride, will be the maid of honor and the bridesmaids will be Misses Elizabeth Jeffers, of Louisville; Beudy Johnson, of Bardstown, and Mamie Muir, of Bloomfield. William Talbott, a brother of the groom, will be the best man. The groomsmen will be George Talbott, Eugene Fulton and George Parkhurst. After the ceremony the bridal party and the immediate families of the contracting parties will be tendered a wedding breakfast at the home of the bride's parents. The bride is the daughter of Hon. Ben Johnson, who represents the Fourth Kentucky district in Congress. Both she and her sister have been much admired in Louisville and Washington society circles.

GOOD RACING, TODAY.

The fall meeting at Churchill Downs will close this afternoon with the Vic Lorch trophy race for two miles as the feature. At 1:30 p.m. some of the horses will be at the track entered in the race. From a racing point of view the meeting has been very dull, as clean racing has been begun, but the attendance and betting have not been up to expectations. The suggestion has been made by some of the race-goers that it would not be a bad idea to use the \$2.00 machines at the fall meetings to increase the attendance at the same.

STRAIGHT MEDICINE. 10
Shipman, Ill., August 17, 1908.
Ten years ago my daughter was taken with severe disease so bad that she could not walk without assistance and could hardly sit without pain. She was at times very nervous and could not sleep at nights. We doctored for about three years, then we used Father Koenig's Nerve Remedy and it worked wonderfully. After her first use of all this, we struck the right kind of medicine.

RECENT DEATHS.

James B. Flinton, twenty-two years old, a railroad brakeman, was so badly injured in an accident Tuesday that he died within a few hours. His remains were brought to Louisville and to the home of his mother, Mrs. James Flinton, 818 Oldham street. The funeral took place from St. Louis Bertrand's church on Thursday morning. The young man was well liked by all who knew him, and his mother, brothers and sisters have the sincere sympathy of many friends in their grief.

Mrs. Mary Mitchell, fifty-five years old, and a native of Ireland, was found dead in bed at the family residence, 824 West St. Catherine street, on Friday morning of last week. She is survived by her husband, Michael Mitchell, three sons and one daughter, and a brother, Thomas Lynch. The remains repose at Mr. Lynch's home, 113 Seventh street, until the funeral from St. Louis Bertrand's church on Sunday afternoon. The deceased was highly esteemed, as was made evident by the large attendance at the funeral.

PRIEST BURIED IN CINCINNATI.

The remains of the Rev. Father John Blenkman, for twenty-three years pastor of St. Mary's church at Michigan City, Ind., and for the same length of time Catholic chaplain of the Indiana State prison at Michigan City, were interred in St. Joseph's cemetery at Cincinnati on Wednesday. Father Blenkman died on Friday of last week. The Most Rev. Henry A. Moeller, Archbishop of Cincinnati, went to Michigan City to attend the obsequies and celebrated the Pontifical mass of requiem. The deceased priest was sixty-three years old and was a native of Cincinnati.

OLD TIME ROUSER.

President Kleffer Wields Gavel Over Mackin's Meeting.

Mackin Council held one of its old time rousing meetings last Monday night. Louis J. Kleffer occupied the chair and no less than 100 members were in attendance. It was strictly business from start to finish and there was not a dull moment in it. Martin M. George was elected to membership. Edward Dillon, Urban Grater and Joseph Kalibelski were initiated. Treasurer Dan Weber reported that Mackin Council had about \$1,000 in bank.

William Kerberg, in behalf of the Home Committee, reported that the improved equipment for the bathrooms and necessary new heating apparatus had been ordered. President Louis J. Kleffer, William F. Burke and George Simons, who had been appointed a committee to draft appropriate resolutions on the death of the Right Rev. William George McCloskey, reported at this meeting and copies of the resolution were ordered sent to the Very Rev. J. P. Cronin, administrator of the diocese, and to the Catholic press of Louisville.

A communication was received from the basketball team of the High School at Charlestown, Ind., challenging Mackin's team. The matter was referred to the Gymnasium Committee. It was determined to push the work of organizing a California Club—that is to say an organization within the council for the purpose of sending a big delegation to the next Supreme Council on the Pacific coast. Thomas D. Cline, William Kerberg and Charles S. Ralby were appointed a committee to formulate plans. William Fortwenger, who has been ill, was reported improving. Vincent B. Smith was present after a long absence. He made a very happy address and was given the glad hand by all the members.

TRAVELED SOME.

Louisville Couple Took Great Swing Through Country.

Dr. and Mrs. Peter S. Ganz returned home Monday after a most enjoyable tour of the North and West. Both are enthusiastic over the glories of the great Northwest, particularly the State of Washington. Dr. and Mrs. Ganz went direct to Banff, Canada, from Louisville. Then they journeyed across the Canadian Rockies to Vancouver, British Columbia, and as far north and west as Sitka, Alaska. Returning south they spent a week at the Seattle Exposition. Other cities included in their itinerary were Portland, Ore., San Francisco, San Jose, Santa Barbara, Los Angeles, the Catalina Islands, fifteen smaller towns along the coast of Lower California; El Paso, Texas; Juarez, Mexico; New Orleans and the home town. To a representative of the Kentucky Irish American Dr. Ganz said:

"No! I have not been trying to rival President Taft in touring the country. We took our time and saw what we considered worth seeing. I gained fifteen pounds in weight—that is what the President is trying to avoid. The Seattle Exposition is great. Washington is a great State and the apples there are marvelous." Dr. Ganz might, if properly approached, make a very interesting talk on the trip to one or many of our local Catholic societies. His story of his trip to the Lick Observatory at San Jose, the old missions at Santa Barbara and crossing the border into Juarez would make an interesting lecture.

DEATH CAME SUDDENLY.

James J. Kavanaugh, one of the best known and most highly esteemed Irish-Americans in Louisville, died suddenly at his home, 1909 West Market street, on Wednesday night at 11:30 o'clock. He had been in failing health for several years, but never yielded in his work. On Tuesday and Wednesday he was one of the Democratic judges of registration in his precinct and remained at his post until the polls closed Wednesday evening at 9 o'clock. Two and one-half hours later he was dead. Mr. Kavanaugh was a native of Louisville and was forty-five years old. He is survived by his wife, seven children and four sisters, Mrs. Bernard Mulloy, of New Albany, and the Misses Katherine, Anna and Rose Kavanaugh. The funeral will take place from St. Patrick's church at 9 o'clock this morning.

CRITERION CLUB'S DANCE.

The Criterion Club will give its annual dance at Liederkranz Hall on the night of Monday, October 18. The club is composed of well known young men of the West End and was organized about five years ago.
